## Persuasive Letter Writing

- 1. Write a letter to the manager of your local grocery store requesting that she/he carry pure Maple Syrup in this store.
- 2. Write a letter to your parent(s) to convince them that Maple Syrup should be added to your family's grocery list.

**Tip**: To be persuasive, state your request clearly and include several solid reasons why your request is valid. Base these reasons on facts you have gathered about the Maple industry.
