

# Happy Sugarbush Day

Song Lyrics

Sing this to the tune of There's a Little White Duck

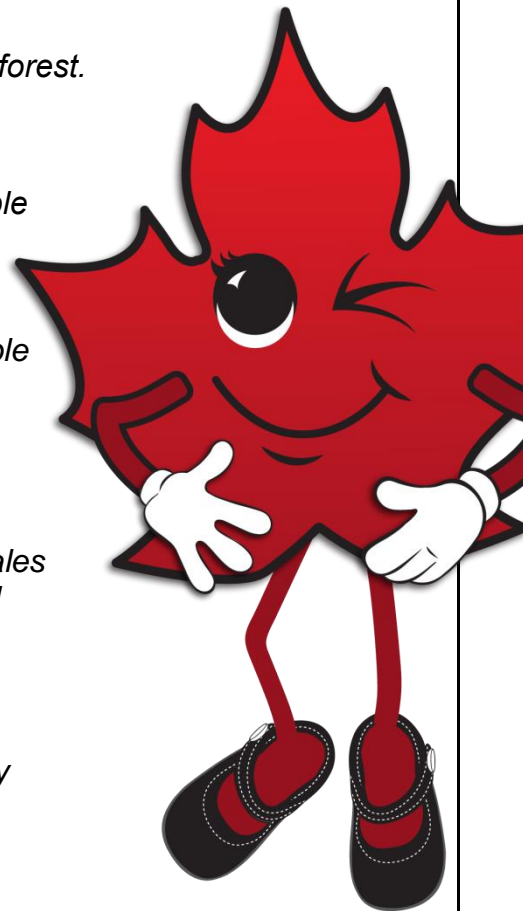

*There's a bright, warm sun moving through the forest  
A bright, warm sun moving through the forest  
Melts the snow from the winter cold  
Wakes up the sap in the maple trees  
There's a bright, warm sun moving through the forest.  
**Happy Sugarbush Day!***

*There's a drop of sap slipping from the maple  
A drop of sap slipping from the maple  
It joins the flow in the lines today  
Moves along to the sugarhouse YAY  
There's a drop of sap slipping from the maple  
**Happy Sugarbush Day!***

*The evaporator's full of rich boiling sap  
Evaporator's full of rich boiling sap  
We watch and we wait and we check the scales  
Temperature just right and it turns to gold  
The evaporator's full of rich boiling sap  
**Happy Sugarbush Day!***

*There's maple syrup for my pancake today  
Maple syrup for my pancake today  
So sweet, so stick and so yummy too  
The perfect taste and it's good for me  
There's maple syrup for my pancake today.  
**Happy Sugarbush Day!***
